Sir,

I have the honor to state that in the current years Budget of the Darjeeling Municipality there exists provision for six conservancy carts at Rs 18, each. The Government were pleased to sanction the increased rate of Rs 18/- per cart a month in their order No. 2547-8 ml 272-09-12 dated 12th September 1910 Accordingly orders were issued from this office to the Vice President of the Municipality in the matter.

2 It is now reported that as the existing carts and bullocks which were being hired at Rs 16/- each per month were of a very low order, tenders were called for strong carts with good bullocks and the lowest bid is for Rs 21½ per cart per month.

3 The Commissioner is of opinion that the old carts should be discharged

Enclosed with and strong ones
-cired for the efficient-discharge
of conservancy work.

4 The Vice President of the
Municipality states that in
the commercial centre and busy
town of Dowraipur, it is not
possible to secure the services of
good carts at less than the fixed
rate. The President of the Municipality in forwarding the
papers on the subject supports
the opinion of the Vice President
and of the council.

5 A copy of the resolution of
the council is herewith submitted.

6. I request that sanction of
Government may kindly be
accorded to the entertainment
of 5 conservancy carts at Rs 21/-
per annum instead of 6 carts
at Rs 18/- a month.

7 No extra cost is involved
upon the Municipality by this
new arrangement.

I have the honour to be
Sir
Your most obedient servant
